

SWEET & SPICY MEATBALLS

Submitted by: Gayle Brodie

- 1 jar **TSG Sweet & Spicy Pepper Jelly**
- 1 (20 oz.) can chunk pineapple (undrained)
- your favorite brand of meatballs

1. Heat the Sweet and Spicy Pepper Jelly and pineapple in the crockpot on low until smooth.
2. Add meatballs to crockpot and coat with mixture, stirring occasionally. Be sure not to overfill the crockpot so there is enough sauce to season and heat the meatballs.
3. Cook until meatballs are heated throughout and serve.
